ED Learning Interest form

Our [student learner form](#) on our UHN EM Website is now available! If you have students looking for research or QI opportunities, please direct them to the form. We also had some students reach out regarding research opportunities. If you are looking for medical students to assist with your project, please email Konika.

Research Collaborator's Meeting

Thank you to Dr. Joel Lexchin for hosting the research collaborator's meeting and for our presenters: Dr. Hasan Sheikh, Dr. Khurram Jahangir and Helena Buchan, RN. Stay tuned for more details on our next research collaborator's meeting.

Welcome to Dr. Edward Xie, the newest member of the Research Committee

Edward works as an emergency physician at University Health Network and an assistant professor in the Department of Family and Community Medicine at UofT, where he recently served as Faculty Co-Lead of Climate Change and Health. He is a Fellow of the Centre for Sustainable Health Systems and a PhD student at UofT where he studies health policy, economic evaluation and structural determinants of health. Edward will be joining the committee in the new year! Welcome Edward!

CAEP 2023 Abstract Competition

There are 3 categories of abstracts with separate submission processes and review criteria: (1) Research, (2) Education, and (3) Quality Improvement and Patient Safety. Only CAEP members will be considered for abstract awards. Please see the page for more information regarding the submissions.

Competition is now open

Competition closes Sunday January 8th, 2023 at 23:59 (ET)
