# Research Update - October 2022

#### Recent Publications

Kim, D. J., Bell, C., Jelic, T., Sheppard, G., Robichaud, L., Burwash-Brennan, T., ... **Heslop**, C., Myslik, F., & Lewis, D. (2022). Point of Care Ultrasound Literature Primer: Key Papers on Focused Assessment With Sonography in Trauma (FAST) and Extended FAST. *Cureus*, 14(10). doi: 10.7759/cureus.30001

Bigham, B. L., Lavelle, C., **Hulme, J.**, & **Hayman, K.** (2022). The simulated newsroom: A novel educational innovation to teach advocacy skills to resident physicians. *AEM Education and Training*, 6(4), e10790. doi: 10.1002/aet2.10790

### Call for Research Committee Member applications

The UHN ED Research Committee invites members of the practice plan to apply for membership! There are currently two three-year term positions (with option to renew) for members. To apply, please send a letter of interest (maximum 500 words) and CV to Konika. If you have any questions, feel free to email Jennifer Bryan or Konika.

Deadline: November 18th, 2022

# City-Wide Pecha Kucha Research Event

#### November 9th, 11am-12pm

We're showcasing the excellent research happening across the city and are looking for a UHN presenter who's up to the challenge of speaking about their research project in 20 slides of 20 seconds each (total 6 minutes and 40 seconds!) You can speak about a project in progress or completed. Ideally the project will have involved a resident or have an opportunity for residents to participate.

Contact Jennifer.Bryan@uhn.ca by **October 5**<sup>th</sup> if you're interested or for more information!

# **ED Learning Interest form**

Our student learner form on our UHN EM Website is now available! If you have students looking for research or QI opportunities, please direct them to the form. If you are looking for medical students to assist with your project, please email Konika.

## **Requesting Data via UHN Data Portal**

The UHN Data Portal is available for all TeamUHN to submit data and reporting requests. This will allow all requests to be processed more efficiently and tracked. Once you submit your request, an analyst will contact you for further details. You will need to log in with your UHN email address to access the data portal. Please reach out to Konika for more details.
