STAR-EM PROGRAM: *Summer Training and Research in Emergency Medicine*

Block	Date	Curriculum Schedule
Week 1 (June 6-10)		
1	Monday June 6, 2022	Dr. Steven Friedman - Onboarding and Introductions. Research Training Modules/Authorship, Publishing, Predatory Journals/ ED and Research Operations
	Tuesday June 7, 2022	Independent study on assigned research project
	Wednesday June 8, 2022	Independent study on assigned research project
	Thursday June 9, 2022	Independent study on assigned research project
	Friday June 10, 2022	Independent study on assigned research project
Week 2 (June 13-17)		
2	Monday June 13, 2022	Independent study on assigned research project
	Tuesday June 14, 2022	Dr. Jennifer Hulme Monitoring and Evaluation M&E of Programs in the ED
	Wednesday June 15, 2022	Independent study on assigned research project
	Thursday June 16, 2022	Independent study on assigned research project
	Friday June 17, 2022	Independent study on assigned research project
Week 3 (June 20-24)		
3	Monday June 20, 2022	Independent study on assigned research project
	Tuesday June 21, 2022	Dr. Dawn Lim and Dr. Jo Jo Leung Three Buckets for Thriving in Medicine - Lessons from Burnout
	Wednesday June 22, 2022	Independent study on assigned research project
	Thursday June 23, 2022	Independent study on assigned research project
	Friday June 24, 2022	Independent study on assigned research project
Week 4 (June 27-July1)		
4	Monday June 27, 2022	Independent study on assigned research project
	Tuesday June 28, 2022	Dr. George Mastoras Educational interventions and program evaluation
	Wednesday June 29, 2022	Independent study on assigned research project
	Thursday June 30, 2022	Independent study on assigned research project
	Friday July 1, 2022	Stat Holiday: Canada Day
Week 5 (July 4-8)		
5	Monday July 4, 2022	Independent study on assigned research project
	Tuesday July 5, 2022	Dr. Joel Lexchin Meta-Analysis/Systematic Review, Biased-Ethics-Politicization & Research, Combining Research and Clinical Work
	Wednesday July 6, 2022	Independent study on assigned research project
	Thursday July 7, 2022	Independent study on assigned research project
	Friday July 8, 2022	Independent study on assigned research project
Week 6 (July 11-15)		
6	Monday July 11, 2022	Independent study on assigned research project
	Tuesday July 12, 2022	Dr. Kate Hayman Applying EM knowledge & leadership skills outside of the ED
	Wednesday July 13, 2022	Independent study on assigned research project

	Thursday July 14, 2022	Independent study on assigned research project
	Friday July 15, 2022	Independent study on assigned research project
Week 7 (July 18-22)		
7	Monday July 18, 2022	Independent study on assigned research project
	Tuesday July 19, 2022	Dr. Jennifer Bryan Chance, Sources of Bias, Statistical vs. Clinical Significance
	Wednesday July 20, 2022	Independent study on assigned research project
	Thursday July 21, 2022	Independent study on assigned research project
	Friday July 22, 2022	Independent study on assigned research project
Week 8 (July 25-29)		
8	Monday July 25, 2022	Independent study on assigned research project
	Tuesday July 26, 2022	Dr. Hasan Sheikh Using the ED to diagnose failure of public policy
	Wednesday July 27, 2022	Independent study on assigned research project
	Thursday July 28, 2022	Independent study on assigned research project
	Friday July 29, 2022	Independent study on assigned research project
Week 9 (August 1-5)		
9	Monday August 1, 2022	Stat Holiday: Civic Holiday
	Tuesday August 2, 2022	Dr. Telisha Smith-Grovie Biostats and Clin Epi: Core Topics
	Wednesday August 3, 2022	Independent study on assigned research project
	Thursday August 4, 2022	Independent study on assigned research project
	Friday August 5, 2022	Independent study on assigned research project
Week 10 (August 8-12)		
10	Monday August 8, 2022	Independent study on assigned research project
	Tuesday August 9, 2022	Conclusions; Dissemination of results: and presentation of program completion awards for students: STAR-EM Research Faculty
	Wednesday August 10, 2022	Independent study on assigned research project
	Thursday August 11, 2022	Independent study on assigned research project
	Friday August 12, 2022	Independent study on assigned research project Final Day: STAR-EM
End of Program
